Bengals Win Opener in Crucial Series, with Georgian in Stormy Petrel Role.

## ESCORTED TO SAFETY BY COPS

BOSTON, Sept. 16.-The Detroit Tigers and the Boston Red Sox came to grips today in the first game of the most critical series of the year between teams in the American league, with the result that eDtroit, scoring six runs to Boston's one, narrowed the margin of Red Sox league leadership to one and one-half games. Partisan feeling ran high during the exciting game. It showed between the players of the two teams when Ty Cobb threw his bat at iPtcher Mays in the eighth inning, after two balls had passed close to his head. On the next pitch Cobb was struck on the wrist.

Again Cobb was the person against whom the feeling was evident, when at the close of the game he was surrounded by a bleacher crowd. They pushed the Detroit player and he shouldered them back while he answered their gibes. Wads of paper wear thrown.

Police Reseue Cobb.

Policemen had difficulty in reaching Cobb's side, but eventually forced a clear space and, assisted by eDtroit and Boston players, escorted him to the clubhouse. The demonstration against Cobb manifested itself every time he appeared at the plate, the crrowd "booing" him each time. The game itself was decided by the strength and speed of eDtroit's attack, which sent Foster, the leading Red Sox twirler, to the bench in the fifth inning. Collins finished that inning and was succeeded by Mays, who allowed two hits. Cobb's impetuous base running resulted in another run after he had been hit in the eighth.

Dauss' delivery deceived Botson batters, who gained only five hits. The Tiger pitcher was always at the top of his form and fielded his position as well as he pitched, Score;
